## **Berks County Dog Training Club Aug 29-30-31 - Sept 1, 2019 Indoor** **Yellow Breeches Sports Center, 700 Shawnee Court, New Cumberland, PA 17070**

Congratulations, you're entered in the above Agility trial. Please review the confirmation information and notify me by email or mail immediately of any changes or modifications that need to be made. Please check my website: [WWW.FASTTIMESAGILITY.COM](http://WWW.FASTTIMESAGILITY.COM). In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There **WILL** be an official measurer every day **EXCEPT Thursday. Judge Rob Kripaitis will VMO Friday, Saturday & Sunday & exhibitor Paul Mount will also VMO on Saturday.** If the "Will dog need to be measured?" says YES and you do not have a valid permanent height card, valid temporary measurement slip or you will need to be measured by one of the VMOs BEFORE running. If you are entered on Thursday you will need to be measured by the judge before running and again by a VMO if entered any other days. This measurement will only be valid for this trial weekend. DO NOT RISK A Q – GET MEASURED BEFORE RUNNING. It is now the exhibitor's responsibility to get their dog measured and to know the jump height card rules. AKC will check this data and you will lose a Q if you do not get measured before running. The Jump Height Card rules are in EVERY PREMIUM – please be sure you have read them and understand them!

You may request move ups by emailing them to [trialsec@FastTimesAgility.com](mailto:trialsec@FastTimesAgility.com), via facsimile transmission to 888-521-1706 or in writing to Fast Times at 3 Sherman Ct., Manalapan, NJ 07726. VERBAL MOVE UPS WILL NOT BE ACCEPTED OR PROCESSED. If you are entered in multiple trials, you need to send a separate move-up request for EACH Trial AND EACH DOG.

**Please note: ALL times after the first walk-thru are approximate – DO NOT wait to arrive until the time listed.** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid day – the times may be as much as ¾-1 ¼ hours off. **These times are only approximations - The Judges, the Club and Fast Times will not be held to anything other than the start times for the first class of the day.**

Handlers with potential conflicts are asked to walk the Excellent/Masater courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. Please talk to the judges to verify.

**We do realize that handlers with multiple dogs will have some conflicts.**

**Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.**

ALL classes that have 1 walk thru take precedence.

If you need assistants with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side.

***This is a game and we should all be having fun with our dogs!***

This is a preliminary judging schedule which is contingent upon the move-up of entries that may not have been received yet. Final numbers may differ as the chart below is created before the final closing.
