Please note: ALL the times after the first walk-thru are approximate – **DO NOT wait and arrive close to the time listed** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid-day – the times may be as much as ¾-1 ¼ hours off.

JUDGE'S BRIEFINGS WILL ONLY BE AT THE BEGINNING OF EACH CLASS – NOT BEFORE EACH JUMP HEIGHT

Handlers with potential conflicts are asked to walk the Excellent/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. Please talk to the judges to verify.

We do realize that handlers with multiple dogs will have some conflicts.

Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.

ALL classes that have 1 walk thru take precedence.

If you need assistance with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side.

This is a game and we should all be having fun with our dogs!

This is a preliminary judging schedule which is contingent upon the move-up of entries that may not have been received yet. Final numbers may differ as the chart below is created before the final closing.

These times are only approximations. The Judges, the Club & the Trial Secretary will not be held to anything other than the start times for the first class of each day.
