NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box **AND** sign that spot where you authorize them to deliver on any overnight package. My Post Office knows that we do not accept signature-required packages and will not even attempt to deliver them. They just mark them "Refused" and return to sender. So I never even know that you sent that package to me.
2. Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those move-ups in right away.
3. Please review the section about Move-ups as we have added more clarification about move-ups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. **PLEASE read these and double check that all the information is correct.** Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.
5. For Novice Exhibitors – please read the section on the moveup form or under Moveups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes

DATA ENTRY AND CHANGES TO YOUR INFORMATION

Data entry mistakes happen. That is why we ask everyone to READ their preliminary confirmation and mailed final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a:

New email address

New Titles

New Handler

New address and phone

New jump height

(including jump height changes from trial to trial. For example, dog jumps 24" at one trial, then 26" in the next trial.)

Highlighting **ANY** of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made

No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under six months of age are strictly prohibited from the trial grounds.

DOGS MAY ARRIVE any time prior to Judging, otherwise, they must be available for measuring before their class begins.

MOVEUPS

EMAILED MOVEUPS: When emailing a moveup to us please just give the following information. TRIAL NAME, Owner Name, Dog Call Name, Move up for what days (Saturday, Sunday, etc.), Moving from, Moving to (PLEASE include STD, JWW, or FAST). *Remember that you must send a **separate email** with the trial name in the subject line for **each trial moveup** or cancellation*

MOVEUP DEADLINES: Move-ups prior to a set of trials: Dogs can be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6 pm on the Monday preceding the set of trials for trials starting on a Thursday-Sunday. For trials that start on Monday-Wednesday, move-ups preceding the set of trials shall be accepted if received by the Trial Secretary no later than seven (7) days prior to the trial (i.e., for a Tuesday trial move-up requests must be made prior to 6 pm on the previous Tuesday).

For any moveups for a set of back-to-back agility trials held Thursday-Sunday: The Monday 6 pm moveup deadline applies to the first day the dog is entered in a set of back-to-back agility trials.

For example, if it is a three-day set of back-to-back agility trials (Friday, Saturday, and Sunday) and the dog is entered on Saturday and Sunday, then a moveup for Saturday must be submitted by 6 pm on the Monday preceding the set of back-to-back agility trials.

Another example, if the dog is entered on Sunday only of a Saturday and Sunday set of back-to-back agility trials; the moveup deadline is still 6 pm on the Monday preceding the set of back-to-back agility trials. That Sunday only entry moveup is NOT considered a Day-to-Day moveup and therefore must be made by 6 pm on the preceding Monday. Once the 6 pm deadline has been reached the only moveups that will be allowed are Day-to-Day moveups as specified under Day-to-Day moveups.

DAY-TO-DAY MOVEUPS are only allowed for dogs entered at the set of back-to-back agility trials for the dogs' succeeding days entries of that set of back-to-back agility trials and must be submitted in writing at the trial within ½ hour of the last run of the trial day for the following day(s) and can not be conveyed via fax, email, or verbally to the trial secretary.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy and check "My dog has a **Temporary** Jump Height Form" box, otherwise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not

giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners SM program may be eligible to enter all-breed AKC agility trials at the club's option effective April 1, 2010. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 816-3776. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry. I/we agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this agility trial, and by any additional rules and regulations appearing in the premium list for this agility trial, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form. I/we certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and agreement.
