Handlers with potential conflicts are asked to walk the Excellent/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. Please talk to the judges to verify. **We do realize that handlers with multiple dogs will have some conflicts.**

**Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.** ALL classes that have 1 walk thru take precedence. If you need assistance with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side.

***This is a game and we should all be having fun with our dogs!***

This is a preliminary judging schedule which is contingent upon the move-up of entries that may not have been received yet. Final numbers may differ as the chart below is created before the final closing.
