**HOTELS**

We are counting on you to be on your best behavior in order to maintain the working relationship with our motels. Our hard-earned reputation, as well as our ability to continue hosting trials is certainly on the line and dependent on YOUR cooperation. We follow up on any complaints from motel owners or guests, so please report any issues to us.

Double-check on rates & charges.

Call to confirm your reservation a few days before arriving.

Be sure your dog is free of fleas BEFORE arriving.

Please be honest about how many people & dogs will be staying in the room.

Of course, as is standard agility procedure, all handlers/owners will pick up after their dogs. Please bag and dispose of dog waste properly.

Please cover the motel's bedding with a sheet or blanket from home, whether or not you think your dog will get on the bed.

Don't EVER leave dogs unattended. Take them with you when you go out for dinner. Even the best of dogs can get carried away in a motel room without you present.

The following will accept well-mannered dogs. (Exhibitors should double check when making reservations in as much as motels sometimes change their policies).

## Data Entry and Changes to your Information

Data entry mistakes happen. That is why we ask everyone to READ their preliminary confirmation and mailed final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a:

- New email address
- New Titles
- New Handler
- New address and phone
- New jump height  
(including jump height changes from trial to trial. For example, dog jumps 20" at one trial, then 24C" in the next trial.)

Highlighting ANY of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made.

If because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or to complete the match, no refund of entry fees will be made.

All American dogs that have been listed with AKC Canine Partners may participate if the trial-giving club is offering the option of mixed breed entries and provided their listing number has been recorded on the entry form. **DOGS MAY ARRIVE** any time prior to judging, otherwise, they must be available for measuring before their class begins.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

## MOVE-UPS

**EMAILED MOVEUPS:** When emailing a moveup to us please just give the following information. TRIAL NAME, Owner Name, Dog Call Name, Move up for what days (Saturday, Sunday, etc.), Moving from, Moving to (PLEASE include STD, JWW or FAST) *Remember that you must send a **separate email with the trial name in the subject line for each trial moveup or cancellation.***

**MOVEUP DEADLINES:** Move-ups prior to a set of trials: Dogs can be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6 pm on the Monday preceding the set of trials for trials starting on a Thursday-Sunday. For trials that start on Monday-Wednesday, move-ups preceding the set of trials shall be accepted if received by the Trial Secretary no later than seven (7) days prior to the trial (i.e., for a Tuesday trial move-up requests must be made prior to 6 pm on the previous Tuesday).

**DAY-TO-DAY MOVEUPS** are for dogs entered at the set of back-to-back agility trials and must be submitted in writing at the trial within ½ hour of the last run of the trial day for the following day(s) and can not be conveyed via fax, email, or verbally to the trial secretary.

## NOVICE MOVE-UPS

**Dogs or Handlers having attained ANY AKC Agility Title** (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes). PLEASE LET US KNOW AS SOON AS YOU REALIZE THAT A CHANGE IS NEEDED. Once we print all the trial paperwork on Tuesday before the trial, it is a much bigger problem to fix. This request must be made in writing at least 30 minutes before the start of the trial. This request must state the reason and justification for the change from Novice A to Novice B. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

## NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver on any overnight package. My Post Office knows that we do not accept signature-required packages and will not even attempt to deliver them. They just mark them "Refused" and return to sender. So I never even know that you sent that package to me.
2. Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those moveups in right away.
3. Please review the section about Moveups as we have added more clarification about moveups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. PLEASE read these and double check that all the information is correct. Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.
5. For Novice Exhibitors – please read the section on the moveup form or under Moveups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

## ABOUT EMAILED MOVEUPS & CORRESPONDENCE

When emailing a moveup to us please just give the following information on separate lines.

TRIAL NAME, Owner Name, Dog Call Name  
Move up for what days (Saturday, Sunday, etc.)  
Moving from (include STD, JWW or FAST)  
Moving to (include STD, JWW or FAST)

*Remember that you must send a **separate email with the trial name in the subject line for each trial moveup or cancellation.** Each trial is a separate database so I do not know what other trials you are entered in.*

Emails sent to us regarding move-ups, cancellations, etc will be addressed on a priority basis. All correspondence will be processed within one week of receipt; however, those emails that pertain to the current trial will be processed before emails regarding trials that are scheduled for a later date. We *always* send a reply email to all emailed cancellation requests when they are processed. We *always* send a reply email with a revised confirmation attached to all emailed moveup requests when they are processed.

***If a response is NOT received before the above deadlines** please email it again and also send a backup fax request. Only call me if the emailed and faxed requests do not get a timely reply. I cannot accept moveup request verbally. All moveup requests must be emailed, faxed, or mailed. My Fax number and phone number are always in the premium. ISP SPAM filters can cause non-delivery of emails. Just because you sent an email to cancel or to moveup – that does not mean that I have gotten it. If you do not get a reply - then it means we never got it.*

**Move-up deadlines are Mondays at 6:00 p.m. before the trial weekend** Cancellation and changes to class (except moveups) deadline is **trial closing date and time (see premium)**. Please remember that Fast Times and the club are not responsible for emails that do not get delivered and therefore will not cancel an entry after the closing date and time or make a moveup after the moveup deadline due to non delivery of an email *request*.

## **Wait List for Withdrawn Entries after Closing**

This trial is offering a Wait List to fill openings created by withdrawn entries after the trial's closing. A maximum number of entries will be placed on the wait list based on the entry limits as follows:

If trial is one ring/330- 350 runs, maximum will be 25 entries on the waitlist.

If the trial is 2 rings/660 - 700 runs, the maximum will be 50 dogs on the waitlist.

If the trial is 3 ring/ 990-1050 runs, the maximum will be 75 runs on the waitlist.

**All entries**, including wait listed entries, must be received by the Trial Secretary prior to the trial closing date. Any entries withdrawn that are received by the **Wednesday** ONE WEEK BEFORE the trial weekend @ 8 am will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a waitlisted entry, a refund will be issued for the withdrawn entry **minus a \$5 processing fee**. Any waitlisted entry that does not move off the wait list into the trial by **Wednesday @ 8 am** ONE WEEK BEFORE the trial weekend will receive a refund.

**If there is no waitlist, then there is no refund if you want to pull after the closing date.**

**If you have not heard about your Wait List status by Friday before the trial weekend, contact us ASAP.**

## **Simplified Jump Height Card Process**

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

### **How do I know if I have a valid jump height card?**

**If your dog is under the age of two years as of the trial's date:** One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy and check "My dog has a **Temporary** Jump Height Form" box, otherwise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

**If your dog is the age of two years or older as of the trial's date:** A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

**Exception to the 2 permanent measurement requirement:** If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not

giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

### **What if my dog measures into a different jump height then what he is entered?**

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

### **May I challenge my dog's jump height card measurement?**

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

### **What is the jump height card challenge process?**

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

**It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.***

### INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
