## **ISC CLASS INFORMATION:**

### World Team Qualifying Event

This event is also a World Team Qualifying Event so the following will apply to those who would like to enter the World Team Tryouts for the 2020 Team:

“Clean run” scores from major ISC Classes (such as the ISC classes at the SOJAC October trial) at 12", 16", and 24" inches may be used to fulfill the minimum requirements of 6 Std/6 JWW requirements. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class. Two ISC jumpers and two ISC standard scores may be used to fulfill the minimum requirements. The other four scores in both standard and JWW must come from regular standard runs (at the minimum yps required for entry into WTT) or Premier standard runs (no minimum yps as long as the dog is under course time for that class) and regular JWW runs (at the minimum yps required for entry into WTT) or Premier JWW runs (no minimum yps as long as the dog is under course time for that class.)

ISC Combined Class Winners Combined scores from ISC Jumpers and Standard classes at this event will be used to award the Combined ISC Class Award. To be eligible for the Combined ISC Class Award the team must have a minimum of one clean ISC run and a run that has a maximum of 5 course faults (no time faults allowed) for those scores to be used to compute the Combined Score. The Combined Class winner from the 12, 16 and 24 inch height is invited to attend Team Tryouts. They do not need to fulfill the requirement of the 6/6 scores. The team must also send in all the required information with the fees and the entry form and meet all the other basic eligibility noted in this document (including an approved pedigree). The handler at tryouts must be the same handler that won the combined award.

## **ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASSES (ISC):**

### **Purpose:**

The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

### **Eligibility:**

This class is open **ONLY** to dogs that are eligible to compete in **BOTH** the Excellent / Master Standard Class **AND** the Excellent / Master Jumpers with Weaves Class. There is no Preferred Option for ISC; dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.

### **Jump Heights:**

Dogs may be entered in their regular jump heights, **however**, only those dogs running in the 12" & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) or any dog entering the 24" jump height will be eligible for the direct invitation to World Team Tryouts. The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) - for dogs measuring 13 <sup>3</sup>/<sub>4</sub>" or less at the withers
- Medium (16" jump height) - for dogs measuring more than 13 <sup>3</sup>/<sub>4</sub>" but less than 16 <sup>7</sup>/<sub>8</sub>" at the withers
- Large (24" jump height) - for dogs measuring over 16 <sup>7</sup>/<sub>8</sub>" at the withers

Data entry mistakes happen. That is why we ask everyone to READ their preliminary confirmation and mailed final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a:

- New email address
- New Titles
- New Handler
- New address and phone
- New jump height

(including jump height changes from trial to trial. For example, dog jumps 20" at one trial, then 24C" in the next trial.)

Highlighting ANY of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made.

## MOVE-UPS

**EMAILED MOVEUPS:** When emailing a moveup to us please just give the following information. TRIAL NAME, Owner Name, Dog Call Name, Move up for what days (Saturday, Sunday, etc.), Moving from, Moving to (PLEASE include STD, JWW or FAST) *Remember that you must send a **separate email** with the trial name in the subject line for **each trial moveup** or cancellation.*

**MOVEUP DEADLINES:** Move-ups prior to a set of trials: Dogs can be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6 pm on the Monday preceding the set of trials for trials starting on a Thursday-Sunday. For trials that start on Monday-Wednesday, move-ups preceding the set of trials shall be accepted if received by the Trial Secretary no later than seven (7) days prior to the trial (i.e., for a Tuesday trial move-up requests must be made prior to 6 pm on the previous Tuesday).

**Day-to-Day Moveups:** the club is allowing day-to-day move-ups for the 2<sup>nd</sup> and subsequent days of the trial weekend, per Chapter 1, Section 20, the exhibitor is able show up at the trial site and request a move up in writing to the trial secretary not later than the day preceding the event and cannot be conveyed via fax, email, or verbally to the trial secretary.

## NOVICE MOVE-UPS

**Dogs or Handlers having attained ANY AKC Agility Title** (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes). PLEASE LET US KNOW AS SOON AS YOU REALIZE THAT A CHANGE IS NEEDED. Once we print all the trial paperwork on Tuesday before the trial, it is a much bigger problem to fix. This request must be made in writing at least 30 minutes before the start of the trial. This request must state the reason and justification for the change from Novice A to Novice B. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

## NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver on any overnight package. My Post Office knows that we do not accept signature-required packages and will not even attempt to deliver them. They just mark them "Refused" and return to sender. So I never even know that you sent that package to me.
2. Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those moveups in right away.
3. Please review the section about Moveups as we have added more clarification about moveups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. PLEASE read these and double check that all the information is correct. Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.
5. For Novice Exhibitors – please read the section on the moveup form or under Moveups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

TRIAL NAME, Owner Name, Dog Call Name  
Move up for what days (Saturday, Sunday, etc.)  
Moving from (include STD, JWW or FAST)  
Moving to (include STD, JWW or FAST)  
*Remember that you must send a **separate email** with the trial name in the subject line for **each trial moveup** or cancellation. Each trial is a separate database so I do not know what other trials you are entered in.*

Emails sent to us regarding move-ups, cancellations, etc will be addressed on a priority basis. All correspondence will be processed within one week of receipt; however, those emails that pertain to the current trial will be processed before emails regarding trials that are scheduled for a later date.

We *always* send a reply email to all emailed cancellation requests when they are processed. We *always* send a reply email with a revised confirmation attached to all emailed moveup requests when they are processed.

**If a response is NOT received before the above deadlines** please email it again and **also** send a backup fax request. Only call me if the emailed and faxed requests do not get a timely reply. I cannot accept moveup request verbally. All moveup requests must be emailed, faxed, or mailed. My Fax number and phone number are always in the premium. ISP SPAM filters can cause non-delivery of emails. Just because you sent an email to cancel or to moveup – that does not mean that I have gotten it. If you do not get a reply - then it means we never got it.

**Move-up deadlines are Mondays at 6:00 p.m. before the trial weekend**

If trial is one ring/330- 350 runs, maximum will be 25 entries on the waitlist.

If the trial is 2 rings/660 - 700 runs, the maximum will be 50 dogs on the waitlist.

**All entries**, including wait listed entries, must be received by the Trial Secretary prior to the trial closing date. Any waitlisted entry that does not move off the wait list into the trial by **Wednesday @ 8 am** ONE WEEK BEFORE the trial weekend will receive a refund.

**If there is no waitlist, then there is no refund if you want to pull after the closing date.**

**If you have not heard about your Wait List status by Friday before the trial weekend, contact us ASAP.**

## **Simplified Jump Height Card Process**

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

### **How do I know if I have a valid jump height card?**

**If your dog is under the age of two years as of the trial's date:** One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

**If your dog is the age of two years or older as of the trial's date:** A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

**Exception to the 2 permanent measurement requirement:** If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC

office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

### **What if my dog measures into a different jump height then what he is entered?**

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

### **May I challenge my dog's jump height card measurement?**

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

### **What is the jump height card challenge process?**

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

**It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.***
